

LM-200

The LDA LM-200 is a high performance acoustic box. It has been designed for installations where high quality and power are required.

The LDA LM-200 is fitted with a 10" woofer and a 1,75" tweeter to achieve a better sound beam.

Thanks to his 2 ways system with bass reflex, The LDA LM-200 obtains a great response in the bass band.

The solid wooden box and the metal grid give the LDA LM-200 all the protection needed in a high quality acoustic box.

LM-200 model has a resistant fabric cover and transport handles.

Features of LDALM200S02 :

- High performance acoustic box.
- 2 ways system with dual bass reflex: 10" woofer and 1,75" tweeter with 6-12 dB/oct crossover.
- 500W max power.
- Metalic grid for protection.
- Side handles and cavity for crosier installation.

Technical Specifications:

Model	LDALM200S02
Max power	500 W
Nominal power	250 W AES
Frecuency response	45Hz- 20kHz (- 3dB)
Sensibilidad	98 dB, - 3dB (1 W, 1 m)
Sensitivity	8 ohm
Speakers	10" Woofer y 1,75" tweeter
Dispersion	100° horizontal / 55° vertical
Dimensions (width x high x depth)	525 x 395 x 320 mm
Weight	16 kg
